Thirty and Thriving, Illustrated History

The Northeastern North Dakota Heritage Association (NENDHA) and Icelandic State Park have worked together for 30 years to tell the story of those that settled this area. This year, the NENDHA will be celebrating the past 30 years with an exhibit and programs titled, “Thirty and Thriving”. It features past exhibits, special events, programs, projects over the years, as well as future ideas to enhance the complex.

The year’s events will kick off on April 2, as illustrator Steve Stark interprets the history of the park, the NENDHA, and The Pioneer Heritage Center Complex through charcoal drawings. The event will be held at 2:00 pm in the Pioneer Heritage Center. The Pioneer Heritage Center will be open from 1:00 – 5:00 pm. Come early to view the new temporary exhibit. Refreshments will be served, with a free will donation to help fund future NENDHA events.

The event is free of charge in accordance with a daily pass, annual pass, or a NENDHA membership. Icelandic State Park is located 5 ½ miles west of Cavalier, ND on State Highway 5.

For more information, please contact Molly Skadsen, at (701) 265-4561.

The mission of North Dakota Parks and Recreation Department is to provide and enhance outdoor recreation opportunities through diverse parks and programs that conserve the state’s natural diversity.
