Following the Memorial Day Program at the North Dakota Veterans Cemetery, Fort Abraham Lincoln State Park is providing refreshments at the newly renovated Commissary on Cavalry Square along with free guided tours of the Custer House and On-A-Slant Indian Village.

The Memorial Day Program at the Veterans Cemetery begins at noon on Monday, May 27. On display at the FALSP Commissary will be a portion of the Harold Brady Collection and the model of the USS North Dakota submarine.

Fort Abraham Lincoln State Park, North Dakota's oldest state park, will be participating in Military Appreciation Day as are all North Dakota State Parks where daily admission is free on Memorial Day, in honor of past and present military personnel serving to protect our nation.
