Recreational Trails Program(RTP) Grant Application

Recreational Trail Program (RTP) grants are available to the State of North Dakota, political subdivisions, and nonprofit organizations in order to assist in the development, maintenance, or rehabilitation of recreational trails. The RTP is an assistance program of the U.S. Department of Transportation's Federal Highway Administration (FHWA). The program is administered by the Recreation Division of the North Dakota Parks and Recreation Department (NDPRD).

Project proposals must be approved at the state and federal levels. A Recreational Trails Program Advisory Committee (RTPAC) made up of private, state, and federal individuals evaluates and ranks the projects. Projects selected at the state level are submitted to the FHWA for final review and approval.

RTP grants reimburse up to 80 percent of the cost for development, maintenance, or rehabilitation of recreational trails. Engineering fees exceeding more than 20% of total project cost are not eligible for reimbursement. Project sponsors cannot be reimbursed for funds that are incurred before an application is approved and a local grant agreement is signed.

The application cycle is open from December 1, 2017 to January 31, 2018 at 1:00 P.M. Central Time.

Indicate prominently whether this is primarily construction of new recreation trails; restoration of existing trails; development and rehabilitation of trailside and trailhead facilities and trail linkages; purchase and lease of recreational trail construction and maintenance equipment; land acquisition/ easements; or trail accessibility assessment. Please explain if the application is for one or more phases of a multi-phase project.

2. Clearly defined goals for the project (with a delineation of which user groups would benefit from the project).

3. Costs associated with the project (with estimates of the following components: material/service purchases including hardware, paint, lumber, sand/gravel concrete, landscape materials, signs, design/engineering services, contractor services, equipment rates, equipment costs, and land lease payments). Please reference budget information worksheet, as necessary.

4. Evidence of local/area support (council resolutions, minutes of public meetings, letters of support, etc.). Evidence of MPO support must be included if applicable.

5. Availability/access to 20% match for eligible elements of the project proposal. Matching funds must not be from other federal sources such as Transportation Enhancement (TE) or Transportation Alternatives Program (TAP) through the Department of Transportation. A resolution from the sponsor of the project regarding the availability of funds will be required prior to any award of a grant.

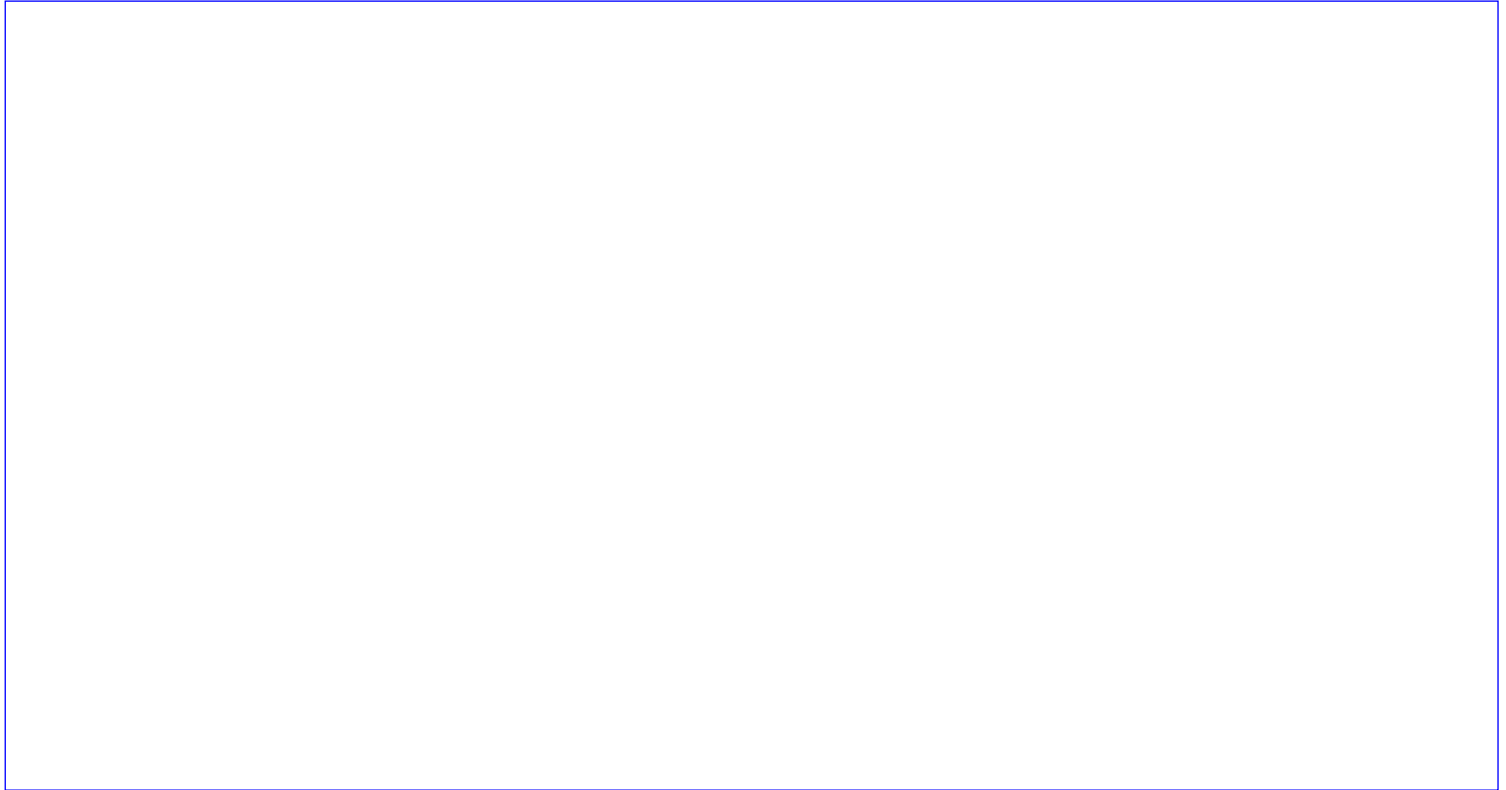

6. Evidence of applicant capability to carry out project. For development projects, applicant capability to operate, maintain, and protect trail and facilities when completed).

7. Site and project quality: consideration of the needs of the intended trail user group(s); aesthetic quality of the trail location; appropriateness of the trail for the intended or existing uses; clarity, detail, and quality of project plan/design; quality of existing development (if any) on site or in corridor; attention to safety, accessibility and health considerations.

8. Public need for and benefit of project: safety concerns, urgency of action, potential to lose the opportunity, number of people who would benefit from the project when compared to cost. Why should this project be funded? How many people could be expected to use the trail over the course of the year as a result of funding the project?

9. Attention to the potential environmental impact of the project and efforts to mitigate adverse effects: Possible areas of consideration include but are not limited to: noise, odors, dust, surface erosion, fish and wildlife populations, damage to wetlands, or other ecologically sensitive natural resources or historical/archeological remains. All applications are subject to review by the State Historical Society. If sponsor has a recent cultural review letter or document, please include with the application attachments.
